Remember, we are all ambassadors of the University of Pittsburgh, the Pitt Band program, and university athletics. One poor decision, or plain disregard for reason, can ruin all of the hard work that has given the Pitt Band program the fine reputation that has been developed over the years.

Please be cognizant of language at the hotel, restaurants, and elsewhere. Even though we may not be in uniform we still represent the University of Pittsburgh. Let's make sure that is one that is of pride.
