### **Important Reminders**

1. All participants should wear their uniforms and bring their instruments. If your group does not have uniforms, everyone must be dressed alike.
  - a. **In case of inclement weather, please be prepared for rain by bringing rain jackets and hats.**
2. For security purposes, Heinz Field does not allow bags to be carried into the stadium. As a result, when the students leave the bus or vehicle, they should have everything they need with them because they will not have an opportunity to go back to the vehicle due to time restraints and the distance the vehicle may be from the stadium.
3. In order to expedite registration, please ensure all release forms are signed by participants and are turned in to your group leader. The group leader can then turn in all forms for their school at one time. We are expecting a large number of participants and this will help move the process along rapidly.
4. We are excited for the Pitt Football Band Day and have received a wonderful response from the local band community. We look forward to the atmosphere your students will bring to our game against Duke. As a result of the popular response, please be sure to arrive on time for registration so we can register all of our participants in a timely manner.
